*Enough is enough.
 Frothing cultists burn our guild-
 houses. Down and out peasants are
 taught to hate us and blame us for
 their trials. Slave traders send their
 people to die in our guild tent, and
 decry us for their own cruelty. Our
 guild members have been kidnapped,
 beaten and abused. Our staff
 members have been harassed,
 threatened and suborned. Our leaders
 have been attacked, abducted and,
 in one case, killed. And all the while
 they wait for our response and cry
 crocodile tears as they chronicle our
 supposed abuses.
 Let them spin their lies.
 We can no longer follow this course of
 inaction. The time has come for the
 Guild to take a Hand in things
 directly. By midsummer we will
 have identified an objective. Be
 ready.*
